OVER 100 MILION VIEWS COMBINED ON YOUTUBE FOR "MISS FATTY"

In March 2006, he released his breakthrough smash hit **"Miss Fatty"** which was distributed by german distributor **SOUNDQUAKE** (largest online vinyl retailer at the time) and was their number one selling song for weeks.

The track got great reviews and was play-listed worldwide by radio stations such as **HOT97, SHADE45, BBC1XTRA, KISS FM, NRJ, VOICE, P3** etc. And was also the number one track/video on **TRACE TV** for several months (broadcasted in over 50 countries) – and was classified as one of the biggest dancehall tracks of 2006, The video was shot in Cuba and has over **30 MILLION VIEWS** on youtube.

The song has since then become a certified Dancehall **"Classic"** (one of the few from a non-jamaican artist). Dj's from all around the world still play the track weekly in their events up to today.

MILLION STYLEZ has now been performing in every continent independently and the touring continues frequently. With over 6 projects under his belt, He is constantly working on new material and musical releases. What more is there to say? Million has a million things going on.
